iast year. The shipments of coaliform the Lebigh mines for the week ended 15th inst. were 20,521,69 tons making a total for the year of 96,886,05 tons.

The Philadelphia Bulletin says the recent assault on the Reading Railroad Company has resulted in a saving of more than balf a million of dollars to that corporation, as the floating debt of \$1,300,000, which was about to be funded at 70 per cent, has now been funded in convertible 6 per cent bonds, reimbursable (if not convertible 6 per cent bonds, reimbursabl

course, increases the value of the property of the Company, increases the value of the property of the Company, increases the value of the property of the Company, increases the value of the property of the Company, increases the value of the property of the Company, increases the value of the former wheme had been carried out, and proves incontestibly the great power of the friends of that work.

The Maryland Commissioner of Loans has advernised for proposals for a loan of \$20,000, at 6 per cent.

From the report of the B ank Commissioners of Connecticut, it appears that there are thirty-two Banks and two Branches in the State, whose united capital and two Branches in the State, whose

this season have been \$1,950,000, against \$1,523,000 same

ed on Saturday from Glasgow, which | in the north western section of the State, and a capital of \$100,000 located in the southern section of Middlesex.
